I. SPIRITUAL LIFE

A. “Unplugged”

One of Summit’s most defining characteristics is the way our students “unplug” from their smartphones and other digital devices. The time away from the constant barrage of digital distractions in our culture allows students to develop spiritual discipline and connect with God through prayer and study of the Word.

Students are asked to submit their smartphones and digital devices (“unplugged items”) to the office at a scheduled time during Orientation. Students will be able to retrieve their unplugged items for vacations and Getaway Weekends. Items are securely stored in our office building; however, any items submitted to the office are done so at the student’s own risk.

Students keeping personal vehicles on campus (except for Sabbatical or married students) are asked to submit their vehicle keys to the office, as it is considered an unplugged item.

B. Personal Devotions

A major emphasis at Summit is for students to cultivate a life of prayer and personal devotion. To assist the student in this effort, the following guidelines have been established:

- Students are expected to spend quality time in personal devotions each morning, Monday-Friday, before the first classes start. There is no set time to complete devotions on Saturday or Sunday.
- Personal devotional time consists of prayer, reading the Bible, journaling, etc. Please be considerate of others when using instruments. Please refrain from using the foyer piano during this time.
- The Manna House foyers and cafeteria are open for the students to use for devotions.

C. Chapel Services

Chapel services are generally held four to five times a week at 11:00 AM. Students hear from the President, the staff, and guest speakers from around the world. Attendance is taken by the Resident Advisors before each chapel service.

Our chapels provide significant times of spiritual growth and spiritual forming for our students. Many cite our chapels as one of the highlights of their Summit experience.

D. Worldwide Prayer Meeting

Wednesday evenings Summit hosts the in-person and online Worldwide Prayer Meeting. Thousands participate online in these prayer services. It is our privilege as pastors, staff, and students to fast and pray in these meetings. Student attendance is required each Wednesday evening. Service begins at 6:58 PM to accommodate the livestream.

E. Personal Chapel

Similar to the morning devotional time, Personal Chapel is at 11:00 AM one day a week. Students spend this time alone with God and are free to find a place on campus that will help them utilize this time.

F. Services at Times Square Church Summit Campus (TSCSC)

Students will join TSCSC for the Sunday service and the Worldwide Prayer meeting held on Wednesday nights. Services are open to the public and students are encouraged to fellowship with those from the local community. Students may sit anywhere in the sanctuary. The service times are as follows:

- Sunday Church Service: 10:30 AM
- Worldwide Prayer Meeting: Wed, 7:00 PM

G. Morning Prayer Meeting

There is an optional student-led prayer meeting some mornings generally from 6:45-7:15 AM. The focus of this time is to pray for spiritual revival in the nations. Location and dates will be announced by the student leaders.

H. Fasting

Summit recognizes fasting as a legitimate, needful, and biblical practice. There will be times when students and staff engage in corporate fasting. Students with health issues that would prevent them from fasting should notify the Student Life department. If students choose to fast for personal reasons, they are asked not to exceed three days at any one time.

II. FINANCIAL POLICY

Summit International School of Ministry, Inc. ("Summit") is a non-accredited two-year School of Ministry. Summit does not participate in Financial Aid programs or Federal Student Loans and therefore is not required and does not issue Form 1098-T, Tuition Statement, for tuition paid in any given year. However, in addition to the automatic reduction in tuition rate given to every student, Summit has several options to assist students and their families with financing while the student is enrolled. These options include:

- Payment Plans
- Scholarships

By accepting admission to attend Summit, the student and or their guarantor(s) are accepting full responsibility for the payment of all tuition and all other related fees when due.

A. Procedures & Registration

All tuition and school fees must be paid, or payment arrangements made before students can register for and attend classes and enter the dormitory. Payments can be conveniently made by cash, check, money

order, or online via credit card at summitpa.org. If writing a check, please make sure the student's name is included in the memo line.

Please make checks payable to Summit and mail them to the address below:

Summit International School of Ministry
Attn: Finance Office
74 Harrison School Road
Grantville, PA 17028

If a student arrives on Summit's campus on registration day and has not already paid the required fees, the student will be directed to the Finance Department to pay. If the student is unable to pay the required fees or make payment arrangements, the student will not be considered enrolled for the semester and will not be permitted to attend class or move into the dormitories.

Each semester must be paid in full before a student can be permitted to enroll in the next semester. Failure to pay tuition or other associated school costs on time may deter the student from participating in school events or activities including, but not limited to, Graduation and/or Summit Internship Positions. Repeated non-payment may result in dismissal from Summit and future withholding of transcripts or a diploma.

B. Payment Plan Option

Summit works with each student on an individualized basis to make the payment process as simple as possible and ensure that each student has a chance to reap the benefits of a full Summit experience. To help ease the financial burden, a Payment Plan is available to students upon request via debit or credit card, which will be kept on file for student convenience. **All electronic payments include a card processing fee.** Please see a member of the Finance Department for help with setting up a payment plan.

If the student is approved for a Payment Plan, **the first payment is due on or before registration day and payment setup is required through the students QuickSchools® account before arrival.** If this first payment is not paid on or by registration day, the student will not be considered enrolled for the semester and will not be permitted to attend class or move into the dormitories.

Payments are due by the 10th of each month (October through April) and if payment is not received by the 10th of the month, a late fee of \$35 will be assessed.

C. Scholarships

There are several scholarships available to students. Please visit Summit's website (summitpa.org) which lists the criteria for each scholarship, as well as scholarship application deadlines and award dates.

The awarded scholarship is credited to the student's account per semester. If the student does not maintain the required criteria for the scholarship, the scholarship may be revoked and may not be awarded for the following semester in accordance with the Scholarship Loss Policy that is provided to each scholarship recipient.

D. Receipt of Payment/QuickSchools® Program

All student payments for school fees are recorded into Summit's school management system called QuickSchools. Each payment is credited to the student's account. Receipts of payment and financial statements are available through each student's QuickSchools account.

If students have questions regarding their tuition balance or financial statements, they can contact the Finance Department.

E. Student Deferral/Withdrawal/Release

If an applicant is unable to attend Summit due to denial of their visa or defers a year due to visa issues, any payments received for tuition, housing, etc. for the semesters they are unable to attend will be refunded unless requested otherwise.

A student who withdraws from Summit or is released by the school within the first 30 days will be refunded 50% of the Room & Board fees.

The following fees are non-refundable: application and confirmation fees, tuition, registration, student life, technology-library, ministry, facilities, and equipment.

A student who withdraws from school or is released by the school in the first 60 days will be refunded 25% of the housing and meal plan fees.

Refunds will be mailed to the student's home address within two weeks of the withdrawal date or will be refunded to the appropriate donor/sponsor. **There will be no refund given after 60 days of enrollment.**

F. Dorm Maintenance Fee

There is an annual dorm/housing maintenance fee due on or before fall registration. This fee is for cleaning and any damages incurred throughout the year. This is a non-refundable \$125 fee.

III. ACADEMIC LIFE

Summit's academic life is an exciting time for students to dig deeper into the Word of God. Classes are designed to help students grow in their knowledge of God, to cultivate a biblical worldview, and to enable them to minister to others lovingly and effectively.

A. Assignments

All assignments are due when specified by the instructor. Any work submitted after the designated deadline will be penalized as deemed appropriate by the instructor. Faculty are permitted to determine whether additional time can be granted for the completion of late assignments. In the case of a serious illness, unforeseen circumstance, or emergency, the student is responsible for making necessary arrangements with each instructor as to an appropriate time to hand in the assignments.

B. Quizzes & Course Exams

If a student has missed a quiz or exam because of an absence, it is the student's responsibility to reschedule the quiz/exam with the instructor. The student will have three business days after returning to classes to make these arrangements. If the student has not done so by the end of the three days, the professor is at liberty to give a zero or some other consequence befitting the student's situation.

C. Final Exams

Students are required to take final exams as scheduled. Should a student have a valid need to reschedule an exam, the student must submit a written request explaining the circumstances to the Academic and Student Life Offices at least **two** weeks before the date of the scheduled exam (with specific dates and times). The written request is not to be construed as permission to miss the exam; it is simply a request. If permission is granted, the student must reschedule the final with the instructor and will be charged a \$100 adjustment fee paid in cash or check to the finance office. If the student does not turn in a written request, as stated above, they will not be permitted to reschedule the exam and will receive a failing grade on any exam missed (no adjustment fee charged).

D. Elective Policy

Summit's curriculum requires students to complete 15 course units per semester, which is equivalent to five courses (three course units each). Four of those courses are "core" classes that all students will take as essential to their Summit learning experience. The fifth course is an elective that students will choose from a list provided each semester. Students may change their elective course during the first week of any semester. No requests to change an elective will be considered after the first week has elapsed. Elective Swap forms are located on the Student Forum. Students should not attend a new elective until they have received approval from the Academic Department.

E. Course Schedule Changes

Summit's faculty members reserve the right to make minor changes in the course and assignment schedule as the course progresses. Any changes made will be announced in class and reflected in the syllabus as expeditiously as possible.

F. Grading System

1. Scale

The grading system at Summit is as follows:

A+	97-100	4.00
A	93-96	4.00
A-	90-92	3.67
B+	87-89	3.33
B	83-86	3.00
B-	80-82	2.67
C+	77-79	2.33

C	73-76	2.00
C-	70-72	1.67
D+	67-69	1.33
D	63-66	1.00
D-	60-62	0.67
F	0-59	0.00

2. Academic Honors

Dean's List: Students who achieve a semester Grade Point Average (GPA) of 3.65 or higher, with no final course grade falling below 80%, will be registered on the Dean's List for that semester.

Summit Honor Society: Two-year students who complete their Summit education with a Cumulative GPA (CGPA) of 3.65 or higher and no final course grade falling below 80%, will be enrolled in the Summit Honor Society.

G. Academic Status

Academic status is determined by the student's CGPA calculated based on all academic work. Students must maintain a minimum grade point average of 2.0, with no final grade below 65%, to be in good academic standing. If the student is not meeting these conditions, one of the following will be implemented:

1. Academic Alert

A student will be considered on *Academic Alert* during any semester in which the student's cumulative and/or semester grade point average falls between a 2.0 and 2.225. This alert will serve as a caution that the student is in danger of falling below minimum academic standards. As such, the Academic Department will take measures to assist the student by offering personalized help with time management, assignments, and the opportunity to discuss and explore factors that may be hindering the student's academic performance.

2. Academic Probation

A student is placed on *Academic Probation* at any point of the semester in which the student's cumulative and/or semester grade point average falls below a 2.0, with at least one course average falling below a 65%. Removal of *Academic Probation* status will occur when the student's grade point average reaches 2.0 or above and all course grades are 66% or higher.

Students on *Academic Probation* will be assigned a tutor and/or time to study. Depending on the length a student might be on *Academic Probation*, he/she may be limited or ineligible to participate in certain ministry outreach or Student Life activities.

3. Independent Study Directive

Because Summit is not able to repeat courses for students during a single enrollment period, students who fail a course must complete an Independent Study Directive (ISD) during an active semester to earn back lost course units. Completing an ISD involves mandatory study hours in the library with accompanying assignments determined by the Academic Department. These study hours are scheduled at the student's convenience and are reported by the student to the Academic Administrator. Successful completion of an ISD will result in

Summit course units being credited back to the student, thus enabling them to meet graduation requirements. Note that units earned through completing an ISD are not transferrable to schools with whom Summit has formed articulation agreements.

4. Academic Dismissal

A student may be subject to *Academic Dismissal* for failure to meet the grade point average requirements for two consecutive semesters, or for failing multiple courses in a semester.

H. Graduation Requirements

To meet graduation requirements, two-year students must complete 60 units of Summit courses (i.e., core, electives and/or ISD). One-year students must complete 30 units of Summit courses (i.e., core, electives and/or ISD). Sabbatical students must complete 24 units of Summit courses (i.e., core, electives).

All students must fulfill all financial obligations to Summit. The student's diploma and official transcripts of the student's academic record will not be issued until all financial obligations are paid in full.

1. Simultaneous Enrollment

The number of required Summit course units for Simultaneous Enrollment (SE) students (see Section II, Subsection M for program details) will depend on the semester they enroll in the SE Program:

- Students who enroll during their second semester must complete 51 units of Summit courses (i.e., core, electives and/or ISD).
- Students who enroll during their third semester must complete 54 units of Summit courses (i.e., core, electives and/or ISD).
- Students who enroll during their fourth semester must complete 57 units of Summit courses (i.e., core, electives and/or ISD).
- One-year students may enroll in their second semester and must complete 27 units of Summit courses (i.e., core, electives, and/or ISD).

2. Chapel & Outreach Participation

As noted above, Chapel attendance and participation are vital to the Summit experience. To aid students in maximizing the benefit of these gatherings, students are required to complete a biweekly Chapel Reflection Journal that will be reviewed by selected staff readers. These journals offer students the opportunity to put words to how the Holy Spirit is shaping them through Summit's spiritual life.

Students will also participate in various community outreaches throughout the semester and record their involvement at the close of each semester. Students must participate in at least three outreaches scheduled by the Student Life Department, or by joining a volunteer team with TSCSC.

Students will receive a "Pass" or "Fail" mark on their transcript for Chapel & Outreach Participation.

3. Senior Ministry Practicum

Two-year students are required to complete a ministry practicum during their final semester with Summit. This will be a missions trip taken with their classmates providing them with the opportunity to serve alongside one of Summit's many ministry partners. Students will record their experiences for evaluation purposes.

I. Academic Integrity

Students are expected to be honest in fulfilling all academic requirements and assignments. As Christians, students have chosen to worship God with all their heart, soul, and mind (Matt. 22:37). This means that every student must have integrity, not only in their Christian service and lifestyle, but also in their academic pursuits. Therefore, any form of cheating or academic dishonesty will not be tolerated.

This pertains to exams, coursework, essays, and any other assignments given by the instructors. Dishonesty includes, but is not limited to, cheating on assignments or exams, plagiarism, or intentionally destroying another student's work. Dishonesty will result in a failing grade on that particular assignment and/or course and further disciplinary action may be considered by the Academic Department. Please note the following definitions:

- **Plagiarism:** the copying or paraphrasing of any part of another individual's work without appropriate citation. Plagiarism will also be considered a major disciplinary violation.
- **Cheating:** the giving or receiving of information dishonestly. Cheating will also be considered a major disciplinary violation. Examples of cheating include:
 - Using unauthorized notes or other unauthorized material when taking an exam.
 - Having another person do his/her work and submitting it as his/her own.
 - Copying answers to exam questions and/or individual homework assignments.
 - Obtaining unauthorized copies of exam questions from any source.
 - Aiding another person in obtaining unauthorized copies of an exam.
 - The use of A.I. programs to generate written assignments (does not include minor editing or rewording of the student's own original work).

J. Absences

Class attendance is a very important part of academic life at Summit. Students are expected to attend all of their classes. In the case of illness, an emergency, or other unavoidable circumstance, students are asked to adhere to the following protocol:

Students are permitted no more than one Excused Absence for each weekly session of a given course per semester (example: course "Z" meets twice a week, therefore, no more than 2 absences from that course are considered Excused). For each absence that is over the limit (Unexcused Absence), a student will receive 3 points off their final course grade. No exceptions will be made for Unexcused Absences unless the student provides a doctor's note stating the student was ill, a test result showing the presence of an infectious illness (e.g. flu, COVID), or a Resident Advisor can verify that a student is absent due to fever, vomiting, or other persistent medical condition.

Should a student be absent for 25% or more of the total course hours, the student will be subject to a failing grade for the course. If a student is absent due to a school event or community outreach, no penalty will be incurred.

It should be noted that this Attendance Policy also applies to Summit's chapel services. While students receive a "Pass" or "Fail" for Chapel rather than a letter grade, participation in chapel services through attendance is a requirement for meeting graduation standards.

1. Off-Campus Absence

In the case of emergencies (e.g., death in the immediate family, illness that requires one to go home, etc.), exceptions will be made. The student should complete the Student Absence Form and set up an appointment to speak with the Academic Department to work out details regarding these absences.

A student missing two consecutive weeks of classes may be requested to withdraw for the remainder of the academic year due to the amount of class time that has been missed. If a student leaves due to an extended period of illness, the student will need to submit a doctor's note stating he/she is physically able to return for the following academic year. Extenuating circumstances will be taken into consideration by the Academic Department.

Absences incurred due to early departure/late return from Getaways, breaks, holidays, or beginning/end of semesters, without obtaining prior permission, will be considered unexcused absences and students will receive 3 points off their final course grade for each class missed for that particular course.

2. Online Attendance

Summit courses are typically live streamed via Google Classroom for recording purposes. This is not a replacement for in-person attendance. Online attendance may be requested by students who will be offsite due to illness/medical care, family emergencies, or other extenuating circumstances subject to review by the Academic Department.

K. Tardiness

Students are expected to be on time for classes. Students will use their school IDs to scan in for attendance at the beginning of class. If students are not scanned in by the designated start time, they will be marked late. A quarter-point will be deducted from a student's final grade for each instance of unexcused tardiness. If a student arrives 10 or more minutes late, or is missing during the class for 10 minutes or more, this will be counted as one of the student's absences for the course.

L. Transcripts

Summit provides official and unofficial transcripts for graduates. Official transcripts are those that have been stamped with the school seal and mailed directly to other schools, businesses, ministries, or organizations. Unofficial transcripts are not stamped with the school seal and are given directly to the student by written request. Students and graduates will only be given a transcript if all outstanding monetary obligations have been paid in full. Transcripts may be requested through the Registrar's Office. There is a \$10 processing fee per official transcript issued.

M. Lancaster Bible College Simultaneous Enrollment

Summit students may choose to register for Lancaster Bible College (LBC)/Summit *Simultaneous Enrollment* with the following stipulations:

- *Simultaneous Enrollment*, leading to an associate degree from LBC, includes taking five additional courses from LBC along with the two-year Core and Elective Curriculum of Summit. Summit students will take up to six LBC courses usually offered on Summit's campus. Times and locations will be included in the student academic schedule. *Simultaneous Enrollment* can also be used by students to begin LBC's online bachelor's degree program. A specific curriculum will be tailored for each applicant and LBC-Summit's campus courses may be taken for those working toward a bachelor's degree.
- Incoming students can begin the LBC enrollment process during their fall semester and take their first LBC courses beginning in the spring semester. An online application for Summit's *Simultaneous Enrollment* program is located in the Student Forum on Google Classroom and should be completed prior to applying to Lancaster Bible College. Students should also submit a \$35 non-refundable Summit *Simultaneous Enrollment* Fee (which includes the official Summit transcript at graduation) **before** any LBC application is submitted to Lancaster Bible College. This can be paid directly to the Summit Academic Office. The LBC application process is explained here: <https://www.lbc.edu/summit-partnership/>.
- While living on Summit's campus, *Simultaneous Enrollment* students may not take a completely online course during the Summit semester, whether from LBC or any other institution. LBC's online courses for *Simultaneous Enrollment* are offered over the summer. Once a student's Summit studies are completed, the *Simultaneous Enrollment* student may continue with LBC and may take online courses throughout the year, evening courses as a commuter, or by transferring as juniors to LBC's traditional undergraduate program.
- Summit alumni may enroll in LBC's Traditional or Accelerated programs. Scholarship and enrollment information is explained here: www.lbc.edu/summit.
- Students may enroll in *Simultaneous Enrollment* at any point during their enrollment at Summit and continue with the online courses from Lancaster Bible College following their graduation from Summit. They will not, however, receive the associate degree at the time of Summit's graduation unless they follow the schedule outlined above.

N. Intellectual Property Policy

No Summit recordings posted on Google Classroom are permitted to be downloaded and/or distributed. Due to privacy rights, the material is the property of Summit, and students may only use these resources while enrolled.

IV. STUDENT LIFE

A. Office Hours

The office is open Monday-Friday: 9:00 AM–5:00 PM. Students may come to the office at any time during work hours. Please check in with the receptionist upon arrival for assistance or before proceeding to any appointments.

B. Staff & Faculty

Staff members at Summit are available for students if they have questions or need assistance with anything. Please do not hesitate to seek advice or counsel.

Students should reach out to their Resident Supervisors or designated contact first.

Out of respect for the privacy of the staff, please do not go to their homes uninvited, except in the case of an emergency.

C. Student Council

Each freshman class will have the opportunity to nominate and vote for a Student Council. A Student Council consists of a President and a male and female Events Creative Coordinator. The Student Council works with the Student Life Department in planning events throughout the school year. In addition, Student Council members will meet with Student Life to offer suggestions to improve the Summit experience for all. Only two-year students are eligible to serve on the Student Council.

Freshmen nominate members of their class for each position toward the end of the school year. Those elected will serve during their senior year on behalf of the entire student body. Nominations are accepted and approved based on the following criteria:

- Consistent Christian character
- Desire and willingness to serve
- Grade point average of at least 2.0
- Commitment and adherence to the standards of Summit
- Not on any disciplinary probation

D. Dress Code

Please note this dress code list may not be exhaustive. Summit reserves the right to make judgment calls regarding student attire that falls outside the specifications listed.

**Women are encouraged, if possible, to bring at least one formal dress or skirt/blouse. There are several events a year, including Baccalaureate, formal speaking events, etc. where formal attire is requested.*

E. Music

At Summit, students are asked to be “unplugged” from various forms of media during their time on campus. However, we also understand that music is an influential and important part of our lives as Christians. We endeavor to provide music in certain areas including the Chapel, the Gymnasium, and Rooster's Café. With students coming from various denominational and cultural backgrounds, we understand that preference of music can vary according to an individual's personal taste and style. Summit reserves the right to determine whether or not any music played on campus is reflective of its heart and values.

Students are welcome to use their own instruments from home while at Summit. Amplifiers and any instruments requiring their use are permitted, but students are asked to use headphones to respect the quiet of certain areas of the campus (e.g., dormitories).

Students will have the opportunity to take part in the Music Department including participation in weekly chapels as well as off-campus events.

F. Relationships

The purpose of Summit is to provide an environment where students can cultivate an intimate relationship with God in an unhindered way. For this reason, we expect students to forgo pursuing all on-campus romantic relationships during their time at Summit.

On occasion students attend Summit while in a previously established relationship with an individual who is not enrolled at Summit. Students should note that contact with their off-campus relationship will be limited while on campus. Should an individual in a previously established off-campus relationship with a student attend a public event or participate in an approved activity on campus, it is expected that the student conduct themselves in a manner consistent with the code of conduct noted in the paragraph below. Students in previously established relationships are discouraged from becoming engaged during their enrollment at Summit. This guideline is in place to ensure that all students can fully focus on spiritual growth and formation.

While on campus, men and women should always fellowship in groups of at least three (often referred to as “ratio”). If students go for co-ed walks off campus together, they are asked to maintain groups of at least five, with at least two of one gender in the group. A male and female student should never be alone together on campus. There should be no physical contact between male and female students. Men and women sit separately in the classroom and chapel to reflect Summit’s core value of placing their spiritual formation first.

G. Non-Traditional Students

A Non-Traditional Student is one whose life circumstance is best suited outside of Summit’s normative guideposts; most notably, being Unplugged. Sabbatical students, as well as any students who are married and/or are parenting children, are permitted to have their personal electronic devices. They are, however, welcome and encouraged to participate in Summit’s Unplugged environment to whatever degree their life circumstances permit.

- The following apply to married and Sabbatical students:
 - They may have and use Unplugged items if they choose. These items are not to be shared with traditional students.
 - They may use their personal vehicles while at Summit.
 - For the sake of consistency, they are asked to adhere to Ratio when speaking with students of the opposite gender.
 - Sabbatical students may not date enrolled students.
 - They are not permitted to be in the dorms after lights out, unless they are living in the dorms.
 - If desiring to host a traditional student in their living space, please adhere to the program guidelines.
 - They may work to meet expenses, but their job should not interfere with student obligations.
 - They may bring their spouse and/or family to chapel services if so desired.
 - Summit does not provide childcare for students’ children.
 - It should be noted that the presence of spouse and/or children will impact Room & Board fees.

H. Campus Service & Giveback

Maintaining our beautiful campus is a matter of Christian stewardship and community effort. The entire student body—Traditional, Gap, Sabbatical—takes part in keeping our campus clean and functional throughout the school year. All are assigned various tasks across the campus that assist with daily

operations ranging from cleaning the facilities, to managing student services; students aid in any areas of need that will keep the school running optimally for their benefit.

All Traditional and Gap students are assigned to Campus Service teams that clean specific areas of the school facilities. Campus Service hours are listed in the student schedule posted in Google Classroom. Similarly, all students—Traditional, Gap, Sabbatical—will be assigned to smaller Giveback teams serving various areas of need. Students will devote 4-5 hours each week to working with their assigned Giveback team. Sabbaticals will have a modified Giveback experience based on their situation (e.g. families with children, outside employment). Both Campus Service and Giveback teams are meant to provide students the opportunity to practice stewardship and servant-leadership.

I. Disciplinary System

Disciplinary Status

Disciplinary status is determined by the student's adherence to Summit's policies and adherence to any disciplinary measures enacted upon violation of policy.

Disciplinary Risk

A student will be considered on *Disciplinary Risk* who fails to meet the criteria of disciplinary measures outlined to them in the case of a violation of policy.

Disciplinary Alert

J. Dorm Life

1. Resident Advisors

Resident Advisors are students who have been selected to act as a liaison between the student body and the staff. Their responsibility is to cultivate a strong sense of community in each dorm. RAs work with the Resident Supervisors to ensure Summit guidelines are followed and act as an advocate for students. RAs are available to assist students in problems associated with college transition, relational issues, homesickness, stress, etc. RAs serve as the primary student contact in emergency response situations and refer concerns to Resident Supervisors and other staff as appropriate.

The RAs are responsible for supervising the care of the dorms and making sure they are properly maintained. They assist with checking students into the dorms at the beginning of the school year, and with checking out at the end.

In addition, RAs are responsible for supervising campus service in the general cleaning of the campus.

2. Dorm Room

Students are asked to daily keep their rooms presentable and clean.

Students are asked to not store exercise equipment in their rooms. Students may have musical instruments in their rooms but are asked to refrain from playing them before breakfast and during the quiet hours. Pets are not allowed in any student housing facility.

Please only use “sticky-tack” to hang posters and pictures on dorm room walls and school-provided furniture. Any other form of attachment is not permitted (nails, adhesive, tape, etc.) as it can damage the walls and furniture. Please do not hang anything from ceiling light fixtures or ceiling vents. Summit

reserves the right to determine if the content of any posters or pictures in its dorms is in accordance with its standards and goals and may have the student remove them if deemed necessary.

Please treat the dorm furniture with respect and care. Students are asked not to rearrange their room furniture, to prevent damage to dorm rooms and/or furniture. Store food items and bath products in containers that will protect furniture from damage.

Please have blinds closed when it is dark outside, as anyone walking outside will be able to see inside the room. Windows must be closed when students are not in their room.

If a maintenance repair is needed in the dorm room or in the dormitory itself, students are to submit a request via the Student Forum. If an emergency repair is needed, contact the maintenance on call, which will be listed on the dorm bulletin boards.
